TWO EVENTS ONE WEEKEND

LDC X THE CLUBHOUSE | PORSCHE AIR & WATER

LEGENDS Drivers Club

19.06.27 | PORSCHE AIR & WATER

Classics at the Clubhouse welcomes Legends Drivers Club to the fairways for a new Saturday collaboration built around Porsche, people and shared enthusiasm.

It's a natural meeting of two like-minded communities. LDC will bring its own identity to the course, creating a day with its own distinct character while remaining part of the weekend.

Expect a fantastic mix of modern water-cooled, transaxle, GT and air-cooled Porsches and more.

CLASSICS
AT THE CLUBHOUSE

VOLKSWAGEN | PORSCHE | COACHBUILT

20.06.27 | CLASSIC AIR COOLED

The event the air-cooled community has grown to know and love, bringing together some of the UK's finest air-cooled vehicles, leading brands and the culture surrounding them.

Widely regarded as one of the UK's favourite air-cooled events, Classics brings together a balanced mix of Porsche and Volkswagen, alongside a wonderful selection of other air-cooled marques.

Expect a high calibre of vehicles, incredible views and an atmosphere like no other.

If you'd like to know more about either event, or are interested in sponsorship or trade opportunities, please get in touch with our team at **info@classicsattheclubhouse.com**.

We look forward to hearing from you.

CATERING

Food & Drink Packages

We understand that every catering business operates differently, and that attending an event involves a considerable commitment of time, preparation, staffing and stock.

For 2027, we're offering two straightforward pricing options: a fixed pitch fee or an upfront booking fee combined with a percentage of sales.

All prices exclude VAT.

OPTION 1 - FIXED PITCH FEE

A fixed price with no additional percentage of sales payable.

Main Food Traders

Single day: £300 + VAT
Full weekend: £500 + VAT

A deposit of £150 + VAT is required for a single day, or £250 + VAT for the full weekend. This is deducted from the total pitch fee.

Coffee, Ice Cream and Refreshments

Single day: £175 + VAT
Full weekend: £300 + VAT

A deposit of £100 + VAT is required for a single day, or £150 + VAT for the full weekend. This is deducted from the total pitch fee.

OPTION 2 - BOOKING FEE + PERCENTAGE

The advertised booking fee is paid upfront, with the percentage of sales payable after the event.

Main Food Traders

Single day: £150 + VAT, plus 12% of sales
Full weekend: £250 + VAT, plus 10% of sales

Coffee, Ice Cream and Refreshments

Single day: £100 + VAT, plus 12% of sales
Full weekend: £150 + VAT, plus 10% of sales

Booking & Payment Information

All bookings require an upfront payment to secure your pitch. The amount depends on your trading category, chosen package and number of trading days.

For fixed-price packages, the deposit is deducted from the total pitch fee, with the remaining balance payable before the event.

For percentage-based packages, the advertised booking fee is the only upfront payment. The agreed percentage is calculated on sales excluding VAT and is payable after the event.

Deposits and booking fees are non-refundable in the event of trader cancellation, subject to our booking terms and applicable law. Due to the limited number of catering spaces available, we cannot confirm or reserve pitches without the required upfront payment.

Get in Touch

If you'd like to join us in 2027, we'd love to hear from you.

Please send us a little information about your business, menu and catering setup. We're happy to discuss packages and any additional requirements.

CATERING

Good food and drink have become an important part of the Classics experience, and we're keen to build on that for 2027.

As the event continues to grow, we want to bring together a carefully selected mix of independent food and drink businesses that complement the atmosphere and offer visitors a varied choice throughout the weekend.

From quality street food and freshly prepared meals to speciality coffee, pastries and refreshments, we're interested in working with businesses that take pride in their products and presentation.

We'll be limiting the number of food and drink traders attending each day. This is a deliberate decision. We want to offer visitors a good selection while giving the businesses joining us a fair opportunity to make their attendance worthwhile.

Our aim is to create a balanced offering across the course, rather than simply filling every available space.

Across the weekend, we're anticipating **1,800 to 2,000 visitors**, with approximately **400 to 500 display vehicles** expected each day. Both events take place in the unique surroundings of the Lakes Course at Sandford Springs, offering a relaxed atmosphere unlike a traditional automotive show.

Food & Drink Trading Categories

To keep the pricing fair and maintain a varied selection for visitors, we have divided our food and drink opportunities into two categories.

Category A

Main Food Traders

For businesses serving substantial meals, freshly prepared hot food and street food.

This includes burgers, pizza, barbecue, breakfast options and other substantial meals or street food.

Main food traders may also offer accompanying drinks and refreshments as part of their menu.

Category B

Coffee, Ice Cream & Refreshments

For businesses primarily serving coffee, tea, hot chocolate, cold drinks, ice cream and other light refreshments.

Category B traders may also offer accompanying snacks, including pastries, croissants, biscuits, cakes, crisps, chocolate and similar light refreshments.

Please note: *Coffee, ice cream and refreshment traders may not serve substantial meals or other hot food outside their approved offering without prior written agreement.* Multiple coffee trucks will be welcomed across the course, with locations selected to provide convenient access for visitors in different areas.

Making a Weekend of It

With two distinct automotive events taking place over the same weekend, we'd love to encourage our food and drink traders to join us for both days.

We're offering reduced weekend pricing across both options. Fixed-price packages offer a saving compared with booking two individual days, while percentage-based packages benefit from a reduced rate of 10% instead of 12%.

We appreciate the commitment involved in attending an event and hope these arrangements make the full weekend an attractive option.

Securing Your Pitch

All confirmed bookings require an upfront deposit or booking fee, as detailed in our pricing packages.

This payment secures your pitch and is non-refundable in the event of trader cancellation, subject to our booking terms and applicable law.

For fixed-price packages, the deposit is deducted from the total pitch fee, with the remaining balance payable before the event. Percentage-based packages require the advertised booking fee upfront, with the agreed percentage of sales payable afterwards.

A Carefully Selected Offering

We're deliberately limiting the number of food and drink traders each day to provide a varied, well-balanced selection.

With an established restaurant already operating on-site, we're planning for a maximum of four independent main food traders per day, potentially fewer depending on the mix of food available.

We'll make every effort to avoid duplication of food types, carefully considering applications to prevent businesses with essentially the same menus competing directly.

Our aim is to offer visitors plenty of choice while giving each trader a fair opportunity to make their attendance worthwhile.

Multiple coffee, ice cream and refreshment traders will be positioned around the course for visitor convenience. Complete product exclusivity cannot be guaranteed unless agreed in writing.

The Food & Drink Trader Experience

We want our traders to feel welcome, supported and enjoy being part of the weekend.

Sandford Springs offers on-site hotel accommodation, hospitality facilities and camping options, and we're happy to discuss individual requirements.

Weekend traders can remain in their allocated positions overnight, without needing to pack down and set up again.

Practical Information

All traders must provide their proposed menu, catering unit dimensions, power requirements and relevant food safety and insurance documentation.

Electricity, running water, Wi-Fi and event shelters are not provided. Traders must be self-sufficient and may need their own generator, subject to prior approval and safety requirements.

All catering units must meet applicable food hygiene and safety standards, including the safe use of generators, gas and cooking equipment.

Arrival, setup, trading hours and departure instructions will be supplied ahead of the event.

Easy to Reach

Sandford Springs sits directly on the A339 between Basingstoke and Newbury, with easy access from the M3 and M4 and plenty of on-site parking.
